## Operating instructions

- Heat the water of phase A1 at 75°C and disperse with high shear Avicel® PC 611 for 15 minutes.
- Prepare the premix of phase A2 and add into A1 with moderate shear for 5-10 minutes until homogeneous. Maintain phase A1+A2 at 70°C.
- Heat phase B at 70°C.
- Proceed with the emulsion at 70°C: add phase B into A and mix under high shear (3000 rpm) for 10 minutes.
- Cool down under moderate shear and below 35-40°C add the ingredients of phase C one by one.
- Adjust pH with phase D.

## Energizing Primer

2822-1.07

+ Skincare x Makeup

+ Anti photo-aging

+ Vitalizing

### Description

Experience a burst of radiance and vitality with this Energizing Primer. This matte yet radiant formula is your secret weapon to both take care of your skin and prepare it to receive makeup. Containing **Emulium® Dermolea MB**, it is ideal for sensitive skin. The active ingredient duo **EnergiNius®** and **Solastemis™** will help your skin fight against photo-aging and be energized.

### Specifications

- + Aspect: Off white soft cream
- + pH: 5.45 ± 0.3
- + Viscosity Brookfield RV (spindle B, speed 5): approx. 50000 mPa.s after 24h
- + Natural origin > 99% (ISO 16128)

### Ingredients

- **Emulium® Dermolea MB** is a 100% natural origin O/W emulsifier which supports the skin barrier function and reduces skin sensitivity.
- **Labrafac™ CC MB** is an odorless emollient that provides good spreadability and comfort.
- Satiaxane™ VPC 911 and Avicel® PC 611 are aqueous gelling agents. They help stabilization.
- Euxyl™ K 712 is a preservative system that can be used for COSMOS certified cosmetics.
- RonaFlair Balance Gold & Red are fine pearlescent pigments, beautifying complexion.
- **Solastemis™** is an active ingredient that protects the DNA of keratinocytes from UVA rays, boosts endogenous DNA repair system and shields the skin from photo-aging.
- **EnergiNius®** features vitality boosting properties for skin cells and protects their energetic potential from aggressions, in particular to that of digital stress. The skin is infused with new vitality. Its biomechanical properties are improved in favor of more tonicity and elasticity. Strongly reinforced, the skin is visibly revived and signs of fatigue disappear in favor of a healthy glow.
- Perfume Fresh Blossom is a readily biodegradable perfume with floral, green, fruity notes.
