Operating instructions

- Prepare A and heat to 75°C.
- Predisperse Solagum AX into glycerin and add to water of B heated to 75°C, mix for about 10 min.
- Under vacuum and rapid mixing (2500 rpm), add A heated (75°C) to B (75°C).
- Mix for about 10 min at 2500 rpm and cool under moderate mixing (1500 rpm).
- Add C at about 35°C, then add the other ingredients one by one.

Well-aging Day Cream

2495-1.25

- + High softness
- + Smooth & luminous skin
- + Anti-gravity effect

Description

Aging is no longer a problem but a source of pride, thanks to this punchy cream that upgrades mature skin. It brings a healthy glow thanks to its soft peach color and pearls and blurs imperfections and fine lines thanks to a soft-focus powder.

Formulated with Emulium® Dolcea MB, its texture is soft and quickly absorbed while leaving a comfortable feel, and EleVastin™ significantly reduces the marks of time.

Specifications

- + Aspect:
Pink cream
- + pH = 5.5 ± 0.5
- + Viscosity Brookfield RV (spindle C, speed 5):
approx. 120 000 mPa.s after 24h
- + 99% natural origin (ISO 16128)

Ingredients

- **Emulium® Dolcea MB** is a robust O/W emulsifier of 100% natural origin that provides an extreme softness to the cream and brings immediate and long-term moisturization to the skin.
- Cetyl alcohol and Hydrogenated Vegetable Oil are thickening agents that bring viscosity to the emulsion.
- **Acticire® MB** is an active texturizing agent that brings moisturization and a comfortable feel to the skin.
- **Lipocire™ A SG** is a texturizing agent that brings a melting sensation thanks to its melting point close to body temperature.
- Cetiol® OE is a dry emollient that brings spreadability and comfort without any greasy afterfeel.
- Solagum AX is a gelling agent that helps to stabilize the emulsion.
- Glycerin is a well-known moisturizing agent.
- **EleVastin™** is a clinically proven active ingredient especially designed for mature skin that acts as an anti-gravity agent, since it redefines facial contours and reduces deep and vertical wrinkles day after day.
- Koboblur 100 Natural is a powder that brings a soft-focus effect to the cream.
