- At about 45 °C increase the mixing speed (Rotor/Stator 2 500 rpm).
- At 35 °C add B then mix until completely cooled.

Edible Mum And Baby Balm

1304-1.01

+ Comfortable feel

+ Moisturizing

+ Edible formula

Description

A very simple balm formulation, containing only a reduced number of edible ingredients. This is the perfect texture for baby and mum, ready for massages or to bring comfort to crackled and dry areas (lips, nipples or elbows).

Specifications

+ Aspect:
White thick balm

Ingredients

All ingredients are edible.

- **Compritol® 888 CG** / **Geleol™ Pellets** / Hydrogenated Castor Oil at a ratio of 2:2:1 create a multi-component gelling system.
- **Compritol® 888 CG**, crystalline gelling agent, has excellent affinity with the hydrolipidic film, allowing the creation of ultra-melting and comfortable anhydrous gels.
- **Lipocire™ A SG** adds a melting sensation.
- **Labrafac™ CC** is an emollient.
- Glycerin increases moisturization and improves suppleness of the skin.
